## Dear Prospective Student,

Welcome to SAIL, *LightChurch's* Education Ministry!

The Bible plays an essential role in transforming every believer into a fully devoted follower of Jesus Christ, and we're here to help guide you on that journey toward your God-given destiny. In the Parable of the Sower, Jesus challenges all of us to be "good soil" by hearing, understanding, and doing God's Word. Nine years ago, the leadership of *LightChurch* launched SAIL for the purpose of equipping God's people in learning and living God's Word.

Courses are designed to be accessible to everyone, no matter where you are on your Christian journey. We have established a set of three **Core Courses** that the leadership of *LightChurch* desires everyone to take. These are offered at each term and can be taken in any order. We also offer **Elective Courses**. There are no prerequisites for electives and you don't need to take the Core Courses first.

We work diligently to design each of our courses to be an engaging mix of teaching, discussion, and application. We also strive to provide teaching that will allow the living Word of God to transform your life. Our teachers are each uniquely gifted to guide you in understanding the Bible and how it can be applied to your life today.

**Registration is March 14. It's easy as 1-2-3:**

1. **Simply review schedule.**
2. **Fill-out registration form and select your course.**
3. **Return it by mail, fax, e-mail, or in-person.**

Schedule and registration form are available at: [www.LightChurch.com/members.shtml](http://www.LightChurch.com/members.shtml).

We look forward to seeing you in our classes!
